Good information from reliable channels should be all you need to shore you up and keep things in repair. Clearing and cleaning away the cobwebs from your information sources will make sure that when the lines falter, you'll still be in contact. Telling small truths now will cement contacts you can rely on later.

Jupiter Sextile Ascendant

Natal: Person X

Easy ability for self-expression and a natural gift of communication seem to materialize for a while, more than usual at the best of times. This engenders greater and more diversified social contacts and a corresponding flow of ideas that bring inventiveness and mental inspiration as a dividend.

Jupiter Sextile Venus

Natal: Person X

A good time for rolling interest over in any sort of physical or emotional investment. Don't look to clean up, just quietly reinforce positive trends that will pay off later for you. You may find that a little extra generosity at this time will pay dividends way beyond its expected investment, so be nice.

Venus Square Saturn

Natal: Person X

If you're asked to provide a shoulder to lean on, do it with care and watch out for those who repeatedly take without returning the appreciation due you. Hangers-on can hang you up with flattery that turns to complaint, taking advantage of your reliability to no useful end. Be polite, but brush them off.

Venus Sextile Sun

Natal: Person X

If you aim to please, you will, and when others want you you'll find pleasure in giving them satisfaction. This is not necessarily high passion, but that warm feeling in the belly that comes from mutual pleasure and gratification. Small fulfillments gather to make great rewards, so give in to the feeling.

Don't wait to refill until you hit "reserve" on your inner gas gauge, it may not be working as well as you think. Figuring out when you're about to be tapped out or have more to go should be left to your body. When you're tired, rest, recharge, and don't push yourself to the limit until you have a more realistic idea of what those limits are.

Mars Square Uranus

Natal: Person X

Pushing the envelope in the same spot is sure to tear it, so when you're testing your perimeters, don't hammer away at the same place all the time. Annoyances can drain you without producing much, so if it gets your dander up, dump it. Fine tuning is OK, just make sure it wasn't already in tune to begin with.

Social life can be a whirl of tempting personalities and possibilities. Pick and choose well, however, and don't fall off the shallow end just for a pretty face. Opportunity for new and charming friends abounds, but be sure to look more than skin deep.

Mercury Enters 4th House

Natal: Person X

Ideas for rearranging and tightening up affairs at home can save you repetition and cleanup. Home is where the heart is only when you put your head into it, too, so bat around some new approaches, operating rules that can make life more comfortable for all.

Mercury Opposition Midheaven

Natal: Person X

Matters at home bend your ear and take the spotlight away from the outside world. A bright idea or two about making things more comfortable could use your attention, and you might just get inspired doing something as simple as watching TV. Lessons learned in the inner sanctum will apply to the world at large.

Mars Square Mercury

Natal: Person X

Resist the temptation to burn out your brain by attacking the same problem again and again. If you don't get it perfect the first couple of tries, try setting it aside for more work later and engage something else. It's easy to waste mental and physical energies right now, despite having all the best intentions.

Mercury Square Ascendant

Natal: Person X

Messages from home and/or work can be at cross-purposes and straightening them out may require you to step in the middle and mediate. Quicker resolutions, even if not complete, are preferable to endless wrangling. Don't take it personally and don't let it confuse you -- steady as she goes, despite changing breezes.

Venus Sextile Ascendant

Natal: Person X

Friends and acquaintances smile on you and compliments received now are worth putting on your resumé. Give as well as you receive and the circle of admiration will continue. You don't have to struggle to look good, and a casual appearance will do just as well as dress up. Unself-conscious beauty is the order of the day.

Venus Sextile Venus

Simple pleasures, simple fare often satisfies the most, and small bites make for better digestion. Put together enough appetizers, and you've got a meal. It's time to enjoy life's smorgasbord and sample multiple pleasures without pigging out on one. A gentle touch and a slow hand are what makes the earth move under you.

Rome wasn't built in a day, so don't feel you have to do it all at once -- you'll wear yourself out. What's favored now is a gradual approach that gets you there in good time without paying too high a price for it. Engage the support of other to help share the burden, and you'll get a piece of their action, too.

Mars Square Neptune

Running out of gas on a dark country road is never fun, so it might be well to stick to the well-lit streets of life for a bit, as you may have less to bring to the task and a greater likelihood of losing control of it. This, too, will pass, and with a refilled tank, you can go anywhere you want.

Mars Sextile Moon

Natal: Person X

You can demonstrate strong support without showing off, use your steady reactions to shore up others without actually carrying them entirely. A few well-placed and gently repeated opinions can instill courage and hope that puts a new lease on life and will have you being thanked in days to come.

Venus Sextile Uranus

Natal: Person X

Keeping your act fresh will give you an assured audience, and that doesn't require bending over backwards just to get noticed. Just avoid stale routines and do what comes naturally to put life into each moment in its own way. Renewing the little things is the key to ever-wakeful awareness.

Down-to-earth reality mixed with a lively imagination provides just the brew that's in demand. If you don't dream too far ahead, today will live out the aspirations of yesterday and wish fulfillment will become a daily affair. Great expectations aren't required, just an array of small hopes that can reasonably come to fruition.

Jupiter Sextile Uranus

Natal: Person X

This is a good time to introduce new ideas and concepts into an already ongoing situation -- ideas that spontaneously come from within. It is a time when your own inventiveness may be mined with some regularity, when you may call on the muse rather than waiting for her to call on you. Invest it wisely.

Good judgment is the order of the day, particularly where details need fitting into place and plans need elaboration. Ideas may be mined for additional and unexpected fruits, without pushing them beyond their limits. It is easier than usual to know you're right, and then go ahead.

Venus Sextile Saturn

Natal: Person X

Trust and certainty should be your stock in trade right now, and quiet confidence based on experience should be your calling card. You needn't advertise -- body language will suffice -- just do what you do best in an understated way and that will make your statement. Exude stability.

Mars Square Saturn

Natal: Person X

You may have to struggle to make headway due to blocked, entrenched elements that won't go away. Constantly returning fire will just use up your ammo, so when you can, sidestep difficulties and come back to them later, when they may have cleared up by themselves. Do as little as necessary, don't waste energy.

Mars Sextile Sun

A steady, even gait eats up the miles and leaves you feeling effortlessly refreshed. You don't have to be miserly with your fuel to save on gas, just do your body's speed limit without going over and you'll have plenty extra to burn. It's easy for major schemes to become energy sinks by throwing good after bad in an attempt to salvage the plan. Better to sit back and rethink where you're going and see if there isn't an easier way of accomplishing your goals. Enthusiasm wanes when beset by frustration, so be the cooler head that prevails.

Mars Sextile Neptune

Natal: Person X

Whenever you've got the time and energy, put a little something into making that special dream come true, no matter how unlikely you may think it is. The ladder to heaven is climbed one step at a time -- keep it up and before you know it, you're above the clouds. And if you ask, there is help along the way.

Venus Conjunction Uranus

Natal: Person X

Feature your most unique and original accomplishments and you'll be surprised how attractive they are. Don't be afraid to go beyond the fringe to the totally unusual -- it will only enhance your desirability. The more different, the better, as you'll be seen as a much-needed breath of fresh air.

Venus Conjunction Mercury

Natal: Person X

Prepare to dish up your best ideas, as they will be back-ordered as soon as you put them out for sale. Whatever is in your head is fodder for the famished and grist for the mill, so put a proper price on it and don't be shy. It's a seller's market for the best you have to offer -- put it on the market.

Venus Conjunction Neptune

Natal: Person X

Any yarn you spin will likely attract listeners, and the more mysterious you make it, the more magnetic you will seem. Air your dreams and fantasies and you will likely find participants to fulfill them, or at least share your reveries. Use the illusion -- it won't be delusion when you take it to the bank.

Mercury Conjunction Sun

Natal: Person X

Now you get your chance to put your inner message into words and articulate the real you that may not always show as clearly as you would like. You don't have to bare your breast for all to see, but the opportunity is here and it just might slip out without thinking, so make it a message of choice, not chance.

Mars Conjunction Pluto

Natal: Person X

For the moment, it may be easier than usual to be forceful, but it's just as easy to do it without regard for the result. The use of force should be dictated by exterior, not interior, circumstances, and they are hard to tell apart right now. Put your action where your faith is, but not in conflict with another's.

Venus Sextile Pluto

Natal: Person X

When you show patience based on clear knowledge and certainty, you display your most attractive side. Mutual assurances help you share the weight and lighten your load; when you make yourself a valuable ally, you gain both friends and protection. Make your best prophecies self-fulfilling.

You are gradually coming to the realization that although you may not have conquered the world yet (or ever), necessity still works well enough and will continue to bring you an interesting array of experience, which you will have the time to digest and enjoy. Your reliability is your calling card for the moment, so put your CV on display smoothed out to reveal steady progress and predictable movement. Show that you're a person that can be counted on, and you'll be counted in. The tried and true inspires confidence, and track record means more than inspired planning, at least for the moment.

Jupiter Conjunction Pluto

You may feel quite compelled for a time to follow your instincts and "do what has to be done," whatever that may comprise for you. Whether it be large or small, it will be something that answers an inner call, regardless of practical usefulness or risk -- just be sure the risk is not to others.

Let your mind roll on, as creative thoughts and new concepts expand your outlook and introduce you to new games to play. An element of mischievous fun is the very thing to turn the ordinary into the extraordinary, and your ability to put your finger on the button is what keeps the whole game in motion.

Mercury Conjunction Venus

It's a particularly good time to articulate just what it is that you want, to put your desires into words that can make them more attainable. It's also more likely you'll be asked about it. Inspirations to beautify your life in general are rife, and take note of them, as they will be plans for your success.

Mercury Enters 5th House

New light on how to feed that creative urge is there to illuminate if you let it. By organizing your energy flow, you can have more fun and make something new come into the world that has your unique stamp upon it. Call on a new, more efficient muse for your inspiration.

Keep your pad and pen ready to jot down sudden brainstorms and unexpected messages flashing out of the blue which you will want to remember and respond to quickly. Pull your focus together, sharpen your wit, and jot down a description of just how you've got your life figured out, who the players are, who needs talking to, what needs further analysis. Take stock.

Venus Trine Midheaven

Clear insight into what's holding you together will also inform you of your limitations. Analyze that, then move upward and outward knowing the potential of your foundation.

Strong forces supporting you may be taken advantage of, particularly on the physical side where extra strength and endurance may be needed. Vigorous but even pacing can bring you strides ahead of competitors, if you take advantage of it while it's here. Time for continuing, not new, direction.

Mercury Trine Midheaven

Listen for news and advice about your resources, both financial and purely physical. Your greatest assets are between your ears, and a thriving mind requires a healthy body, so make sure that physical temple is up to supporting your head. And, of course, that takes money....

Venus Square Pluto

Don't be goaded into forcing the situation just to have your way. You may be lured into actions you will later regret, even if only because they are a waste of time. If you can't go around it, go under or over it, or just back away. A struggle will get you nowhere and only tire you out. Be like water, not like rock.

Money resources suddenly dry up or are unexpectedly drained. It's going to be hard to get what you want for a while, so be prepared to just sit it out patiently. Those best-laid plans of six months ago may be losing their focus, and it's hard to see how the big picture really comes together. Half-formed ideas lack follow-through, you may have to go back to the well more than once before you've got a full bucket of water. Give yourself the time, don't scrimp on planning, and all will come together again.

Mercury Sextile Moon

Natal: Person X

Intimating how you feel may get more across than loud declarations; a slow build of communication makes bonding all the stronger. Move from one small agreement to the next until two hearts and minds become one. It's a two-way stretch, as your own understandings need this pace to come to fruition.

Venus Square Mars

Natal: Person X

Voracious appetites can be a drain on your energies, so don't give it all away to a single, demanding voice. Be generous, but not to a fault, and share your bounty where it does the most good. Criticism disguised as a compliment also hides self-interest that is not your own. Vampires seldom look like bats, but feed nonetheless.

Mercury Square Pluto

Natal: Person X

Pressing the point too strongly only leads to arguments, not triumph, so when you catch wind of weak positions strongly defended, pass them by and they will collapse on their own. Confront them, and a Pyrrhic victory is the best you'll get. Rumors of war are just that, born of the breeze and blown away by it.

Venus Square Midheaven

Good news or special involvements on the personal front may cause neglect and subsequent demands in career matters. However, don't get roped into more work by needy people who could just as well take care of themselves. It won't do you any harm to be known as someone who cannot be pushed too far.

Venus Enters 7th House

Mercury Sextile Sun

Quiet messages without red flags will relay the signals of the heart to their targets. Simply put, without fanfare, what you mean will be just what is said and what is understood. Simple pleasures, simple fare often satisfies the most, and small bites make for better digestion. Put together enough appetizers, and you've got a meal. It's time to enjoy life's smorgasbord and sample multiple pleasures without pigging out on one. A gentle touch and a slow hand are what makes the earth move under you.

Mars Trine Jupiter

Natal: Person X

You may find that the energy and internal resources that you use to accomplish your biggest objectives are ready and eager to get under way. Throw yourself into it and get the bulk of the work done while that's happening -- you can take a rest later and admire what you've achieved. Ride the inner wave.

Mercury Square Mars

Your bundle of energy can get all balled up very quickly if you get into a repetitive rut. Don't drain yourself trying to prove that you've got what it takes -- just do what it takes and be done with it. Last-ditch efforts can put you in the ditch, so don't try to force a finish where it could be your own.

Venus Sextile Uranus

Mars Conjunction Moon

Natal: Person X

It's easy to make quick, lightning reactions to situations for the surrounding few days that you might come to regret later. Pace your emotions when they tend to fly off the handle, at least insofar as you commit actions you cannot retract. If you shoot from the hip, it could be your foot that pays for it.

Venus Sextile Mercury

Natal: Person X

Let out your bright ideas one at a time and you'll always have someone drinking from your trough. Shared small talk tells big tales when you put it all together, so don't bite your tongue. Pleasant conversations are the very stuff of both friendship and prosperity, so if you have something good to say, say it.

Mercury Square Midheaven

Conflicting messages about your reputation may have their origin in partner disputes and competitive jealousies. If you can rise above the fray, do so, and any misconceptions will be straightened out by time and good will.

Mercury Sextile Venus

If you want something big, start out asking for something small and work your way up to it. It's easy to connect and swell your bounty if you do it incrementally, one step at a time. The regular flow of small but innovative solutions can keep things moving without having to come up with earth-shaking changes. You needn't disturb the status quo to integrate your personal touches. They will be accepted for what they are -- original, unique, and young at heart.

Mercury Sextile Mercury

Small, regular messages through the usual channels can mount up to a big story right now, so listen well pass along what you hear. Don't try to say it all at once, just let the pieces of the puzzle put themselves together until everything is clear as day. There is nothing to hide and nothing to expose, all will be revealed in the end.

Moon Trine Jupiter

Natal: Person X

A warm expanse of emotional growth is underway, even though you may not be noticing it. It's naturally easier to reach out and be inclusive without being obtrusive, adding to your own inner life as you give to others. Generosity is its own reward, especially when you don't ask for one, and it will come back to you at just the right time.

Natal: Person X

A little fantasy can oil the machinery, and well-meaning flattery will get you everywhere. Quietly shared ideals make for unity, and you don't have to preach to get your point across. It's the little prayers and hopes that keep you on the upward track and are the gentle wind beneath your wings. Share them.

Mercury Square Moon

Natal: Person X

Mixed emotions may be the flavor of the day, and trying to sort them out verbally can be a knotty and ultimately unsatisfying process. Half an explanation is better than exhausting dissection of raw nerves, so patch things up as best you can and let circumstances take care of the rest.

Venus Trine Pluto

Natal: Person X

Faith and self-assurance are what will sell you right now, and if you believe in yourself, others will too. Envision the future as you would have it be, and so it shall become. In fact, if you're really good at it, others will do it for you because they will consider it a done deal, an already established fact.

Mercury Trine Pluto

Natal: Person X

According to the latest information, you're on the right track, and if you have faith in your sources, you indeed are. The ability to address forceful solutions and be ready to roll over obstacles sends the message that you are serious and beckons the crowd to part when you pass. Don't flinch and you're home free.

Venus Sextile Saturn

Natal: Person X

Trust and certainty should be your stock in trade right now, and quiet confidence based on experience should be your calling card. You needn't advertise -- body language will suffice -- just do what you do best in an understated way and that will make your statement. Exude stability.

Venus Square Sun

Natal: Person X

You can't always get what you want, and others can't always get what they want from you, so don't beat yourself up trying to please. Give of yourself, but don't give in to repeating demands when you've done your best. Consider your own necessities before you give in to those who hunger too much.

Mercury Sextile Saturn

Natal: Person X

Good information from reliable channels should be all you need to shore you up and keep things in repair. Clearing and cleaning away the cobwebs from your information sources will make sure that when the lines falter, you'll still be in contact. Telling small truths now will cement contacts you can rely on later.

Mercury Square Sun

Natal: Person X

It may be difficult to communicate your inner message, and sometimes trying to explain it to death just makes it worse. If you can't get yourself heard on one issue, drop it and try another. Carping on about the same subject will just get annoying for everyone. Better to be partly understood and leave it at that.

You may want it so bad you can taste it, but figuring out exactly how to get it all can be a knotty problem, indeed. The tendency to be too choosy and too critical of what's presented you can kill the goose that lays the golden egg, so if you can't have your way entirely, have it half way and enjoy what's there.

Venus Trine Saturn

Natal: Person X

Good taste is timeless, and relying on the good old ways will pave your way to success. Rely on moves you have perfected, the simpler the better, and your style will be a magnet to what/whomever you want to come your way. Refined elegance beats bluster every time, so come on like the class act you are.

Mars Sextile Pluto

Natal: Person X

Small acts of faith and trust are a sure way to build a following, and you don't have to risk your life for someone to show that you are a firm supporter. Put your energy where you know it will count and build and it will come back to you. It is not a single action but the sum of many that will tell the tale.

Whatever you're doing, don't stop now -- it's hot, and so are you. Shake your booty and the camera will zoom in, strike a pose and the flash bulbs pop. You've got to move to be noticed, however, so don't choose now to take a coffee break. Put out your hand, and there will be someone there to seize it.

Mercury Square Uranus

Natal: Person X

Chasing down that great idea that got away is a bit like pursuing Moby Dick the closer you get to it, the more it will consume you. When the bird in the hand flees into the bush, let it go and pursue another. When your information is this scattered, you're better off waiting by your net than futilely pursuing a single quarry.

Venus Conjunction Midheaven

Natal: Person X

Good things are in the wind for you as you're talked up by just the right people. If you've reworked your resumé, now's the time to send it out. Fortune smiles on career moves undertaken and you can cash in on your hard-earned reputation. Make hay while the sun shines, this usually only happens once a year.

Venus Enters 10th House

Natal: Person X

Good things accrue as people are saying nice things about you and appreciating the efforts you have put in to make yourself a success. Go with it, but don't let it go to your head. Sincerity and a little modesty will keep them screaming for more.

A word to the wise: getting the final word on anything will be virtually impossible, and no matter how tight your argument, loose ends turn up that won't be silenced. Go for the first word, and stick with positive words, but leave the last word for later. When things expectedly get over tangled, your response should be, in a word: enough!

Venus Square Ascendant

Natal: Person X

It may be difficult to maintain your perfect image when other distractions draw your attention elsewhere. Save your stage appearances for later and check the mirror only after you've finished with necessary business. Work clothes are the order of the day -- there will be time for dress up when the evening rolls around.

Mercury Trine Jupiter

Natal: Person X

Plan and order fulfillment are up and running, and whatever you can organize should run smoothly. Tap the brainpower of both colleagues and competitors to serve your own ends and you'll end up the be-all and end-all. Delegate the details and keep your eye on the radar screen in order to navigate what's coming up.

Mercury Square Neptune

Natal: Person X

Trying to explain your way out of a hopeless situation is in itself hopeless, so don't waste the effort. If things get just too lost and confusing, pull out and try something else. Misleading information is likely the cause, so don't apologize for not cooking the meal when you don't really have the right ingredients.

Mercury Trine Moon

Natal: Person X

Say what you feel and feel what you say -- it's easy now and you can do so with little fear of getting into trouble. Conversely, you can better understand what others are trying to tell you at the gut level, so heart-to-heart communication can flourish. Words flow and seem to have more meaning, reach further.

Mars Conjunction Saturn

Nailing down your perimeters and mending fences comes naturally right now -- the separation between yourself and others needs to be accentuated to gain recognition for what is unique on both sides. Credit gained and credit owing need delineation now. Dispense with idols with feet of clay.

Jupiter Conjunction Pluto

Natal: Person X

You may feel quite compelled for a time to follow your instincts and "do what has to be done," whatever that may comprise for you. Whether it be large or small, it will be something that answers an inner call, regardless of practical usefulness or risk -- just be sure the risk is not to others.

Venus Sextile Jupiter

Natal: Person X

The more you underplay the best you have to offer, the more people will want it. Modesty is the best policy and good taste demands small portions, with an option for seconds and thirds. Measured bounty does not exhaust itself and has long-term appeal, so offer up just enough to please but not

During the coming seven years, you will broaden your personal and philosophical horizons considerably, not by gradual growth but by sudden leaps and bounds, from one plateau to another. Be ready at any time for inner or outer trips that will be eye openers that leave their marks upon your life outlook forever.

Saturn Conjunction Uranus

You are likely to find that the directions that tend to lead you to the out of the ordinary are somewhat suppressed and you may find yourself being a bit more establishment than you had intended. However, in scientific endeavors this is just the time to distill important ideas.

Mercury Square Saturn

Natal: Person X

Faulty information can hang you up, and chasing a false lead can waste even more precious time. Be suspicious of unasked-for criticism, as it may be offered just to slow you up. Better right now to rely on what you already knew and not what you are being told. Turning a deaf ear may be just what will see you through.

Mercury Trine Sun

Natal: Person X

It's particularly easy to get your inner message across, and words don't get in the way even when trying to communicate non-verbally. Your desirability may be in question from time to time, and a little mending and darning of how you fill the gap in others' needs might be in order. You can't be all things to all people, however, so don't take the occasional complaint too much to heart. If you don't get what you want on the first try, try again.

Mars Trine Mars

Natal: Person X

You should be pretty much up to speed and moving at an optimum pace; take notes about how you're doing it, so when you're feeling strained later you can revert to your present settings. You are getting the most out of the least, energy wise, and your work is probably reflecting that.

Mercury Trine Ascendant

Natal: Person X

Let your mind roll on, as creative thoughts and new concepts expand your outlook and introduce you to new games to play. An element of mischievous fun is the very thing to turn the ordinary into the extraordinary, and your ability to put your finger on the button is what keeps the whole game in motion.

Mercury Trine Venus

Natal: Person X

If you can say it, you can have it, so don't hesitate to articulate your desires and you can get what/whom you want. Chances are, you'll be hearing news of the availability of what you've been looking for -- just sing out, and it's yours. Putting your world into especially beautiful order comes easy, so take the opportunity.

Mercury Trine Uranus

Natal: Person X

Original ideas, new solutions surround you like a school of fish, so drop your line and start reeling them in. Keep at it while they're running until your head is full of flashing fresh approaches. Fill your larder for the future. For the moment, you don't even need bait -- just a hook, line, and sinker.

Mercury Trine Mercury

Anything you say can and will be used to favor you, so clear the channels and get your message across. It is particularly easy to understand and be understood in clear and uncertain terms, without delay and without argument. Make yourself a conduit of understanding within your personal network.

Hammering outlines into shape may result in simply grinding the original into dust. If the shoe doesn't quite fit, don't fuss with it -- just don't wear it. Try something else, and don't insist that you come home with something perfect. This may not be the day for that perfect catch, so be prepared for it.

Mercury Trine Neptune

Natal: Person X

The ability to put nonverbal images into words is a precious commodity, one you can trade on for the moment. Even blindfolded, you'll be able to pin the tale on the dream and speak for others who are not so articulate. The trick will be to remember later how you did it now, so keep an eye on the monitor and watch your performance.

Venus Sextile Ascendant

Friends and acquaintances smile on you and compliments received now are worth putting on your resumé. Give as well as you receive and the circle of admiration will continue. Venus Opposition Uranus

Original thinking may be a hard sell, at least your particular variety. It may take a few stabs to find real appreciation for your original brand of genius, but nothing ventured, nothing gained. Mercury Square Ascendant

Profit from some perhaps unexpected or even mysterious quarters is profit nonetheless, and a helping hand from the hidden side of things feels like you've got a guardian angel in tow. Don't fight it, but don't try too hard to explain it, either. Sometimes things just fall gently into place on their own.

Mercury Opposition Uranus

Natal: Person X

Brilliant thoughts and sudden missives can come and go so fast that they escape before they are fully in your grasp. Don't hesitate to ask for a repeat message, several times if necessary, until you've got it right. It's easy to feel scatterbrained, but just as easy to gather your wits if you keep at it.

Mercury Opposition Mercury

Natal: Person X

This is likely not your sharpest time of year, and communications can become spotty and fitful. There's interference in the phone lines of your mind, so you may have to repeat your messages several times to get through to others, or even to yourself. Just hack at it, and give yourself the extra time to make it all clear.

Venus Enters 12th House

Natal: Person X

What you don't know might just be helping you right now, as what's happening behind your back is moving in your favor and all will come out happily when it's laid bare. What lurks in your dreams will have a way of becoming reality soon enough.

Mercury Opposition Neptune

Natal: Person X

Your sources of information may fade in and out, like misty clouds passing over the sun, so don't count on having a reliable stream of news. This may come from sheer irregularity or from misinterpretation or misrepresentation of the facts. Basically, don't believe everything you hear right now, but don't stop listening.

Mercury Trine Pluto

Natal: Person X

According to the latest information, you're on the right track, and if you have faith in your sources, you indeed are. The ability to address forceful solutions and be ready to roll over obstacles sends the message that you are serious and beckons the crowd to part when you pass. Don't flinch and you're home free.

Venus Conjunction Jupiter

Natal: Person X

Don't worry about overstating your brilliance or waving your own flag, anything new you've cooked up is likely to find a ready market. A little hype goes a long way and the more optimistic you are, the better your prospects. The bigger the meal you promise, the more people will be at your table waiting to be served.

Mercury Opposition Saturn

Natal: Person X

It's hard to be sure-footed if you can't find your feet. That may seem a chronic problem as the ground gives way unexpectedly thanks to insufficient input and knowledge of the terrain. Take that into account and don't rush into things until you've double-checked your footing and you know what and whom to rely upon.

Don't try to think too far ahead about how to dole out your energies, or you'll get ahead of yourself. Figure it out one step at a time, don't run full out when you can jog easily along. Plan the next set of laps at every pit stop and all will run smoothly. Conservative planning will assure success.

Jupiter Sextile Neptune

Natal: Person X

This is a good time to find ways to implement your personal beliefs in a way that is practical, satisfying, and unobtrusive to others. No need to soapbox, just a quiet word or two will be enough to get the ball rolling. After an initial thrust, truth and conviction will carry the ball.

Venus Square Pluto

Natal: Person X

Don't be goaded into forcing the situation just to have your way. You may be lured into actions you will later regret, even if only because they are a waste of time. If you can't go around it, go under or over it, or just back away. A struggle will get you nowhere and only tire you out. Be like water, not like rock.

Mercury Sextile Midheaven

Natal: Person X

Enigmatic and cryptic comments should not be treated with suspicion, as they are probably compliments in disguise. Friendly messages come from obscure places and race, creed, or national origin should not be allowed to get in their way. If you can communicate, even if you're in the dark, open up and do so.

Mercury Enters 12th House

If someone is talking behind your back, now is the time to find out about it and take appropriate steps to deflect it. Conversely, it's a time you can unearth some of your own best-kept secrets you might have forgotten about and clear the air.

By providing what's needed, you become what's wanted, and you'll be showered with love and gratitude for simply being yourself. Remember that desire is fickle and moves on, so take in as much as you can while the feeling lasts. Absorb the passion of the moment as it comes easily, and remember how you did it.

General agreement on what's required means mutual efforts toward gratifying joint appetites. Share your feast and you'll get invited to everybody's party. Good taste is timeless, and relying on the good old ways will pave your way to success. Rely on moves you have perfected, the simpler the better, and your style will be a magnet to what/whomever you want to come your way. Conflicting messages about your reputation may have their origin in partner disputes and competitive jealousies. Try to resolve them, but don't look like you're trying too hard, or you'll have the reverse effect. If you can rise above the fray, do so, and any misconceptions will be straightened out by time and good will.

Social life can be a whirl of tempting personalities and possibilities. Pick and choose well, however, and don't fall off the shallow end just for a pretty face. Opportunity for new and charming friends abounds, but be sure to look more than skin deep.

Mercury Trine Venus

Natal: Person X

If you can say it, you can have it, so don't hesitate to articulate your desires and you can get what/whom you want. Chances are, you'll be hearing news of the availability of what you've been looking for -- just sing out, and it's yours. Putting your world into especially beautiful order comes easy, so take the opportunity.

Mercury Trine Uranus

Original ideas, new solutions surround you like a school of fish, so drop your line and start reeling them in. Keep at it while they're running until your head is full of flashing fresh approaches. Fill your larder for the future. For the moment, you don't even need bait -- just a hook, line, and sinker.

Mercury Trine Mercury

Natal: Person X

Anything you say can and will be used to favor you, so clear the channels and get your message across. It is particularly easy to understand and be understood in clear and uncertain terms, without delay and without argument. Make yourself a conduit of understanding within your personal network.

Mercury Trine Neptune

The ability to put nonverbal images into words is a precious commodity, one you can trade on for the moment. Even blindfolded, you'll be able to pin the tale on the dream and speak for others who are not so articulate. The trick will be to remember later how you did it now, so keep an eye on the monitor and watch your performance.

Mercury Square Moon

Mixed emotions may be the flavor of the day, and trying to sort them out verbally can be a knotty and ultimately unsatisfying process. Half an explanation is better than exhausting dissection of raw nerves, so patch things up as best you can and let circumstances take care of the rest.

Jupiter Conjunction Pluto

Listen for news and advice about your resources, both financial and purely physical. Your greatest assets are between your ears, and a thriving mind requires a healthy body, so make sure that physical temple is up to supporting your head. And, of course, that takes money....

Mercury Square Venus

Natal: Person X

You may want it so bad you can taste it, but figuring out exactly how to get it all can be a knotty problem, indeed. The tendency to be too choosy and too critical of what's presented you can kill the goose that lays the golden egg, so if you can't have your way entirely, have it half way and enjoy what's there.

Venus Sextile Uranus

Natal: Person X

Keeping your act fresh will give you an assured audience, and that doesn't require bending over backwards just to get noticed. Just avoid stale routines and do what comes naturally to put life into each moment in its own way. Renewing the little things is the key to ever-wakeful awareness.

Mercury Square Uranus

Natal: Person X

Chasing down that great idea that got away is a bit like pursuing Moby Dick the closer you get to it, the more it will consume you. When the bird in the hand flees into the bush, let it go and pursue another. When your information is this scattered, you're better off waiting by your net than futilely pursuing a single quarry.

Mercury Square Mercury

Natal: Person X

A word to the wise: getting the final word on anything will be virtually impossible, and no matter how tight your argument, loose ends turn up that won't be silenced. Go for the first word, and stick with positive words, but leave the last word for later. When things expectedly get over tangled, your response should be, in a word: enough!

Venus Sextile Mercury

Natal: Person X

Let out your bright ideas one at a time and you'll always have someone drinking from your trough. Shared small talk tells big tales when you put it all together, so don't bite your tongue. Pleasant conversations are the very stuff of both friendship and prosperity, so if you have something good to say, say it.

Mercury Sextile Jupiter

Grand strategies are only as big as their individual components, and great skyscrapers are put together one girder at a time. Fulfilling the vision as it presents itself is the way to go, with smaller, surer steps preferable over giant strides of the imagination. Take it easy, and all will unfold.

Mercury Square Neptune

Natal: Person X

Trying to explain your way out of a hopeless situation is in itself hopeless, so don't waste the effort. If things get just too lost and confusing, pull out and try something else. Intimating how you feel may get more across than loud declarations; a slow build of communication makes bonding all the stronger. Move from one small agreement to the next until two hearts and minds become one. It's a two-way stretch, as your own understandings need this pace to come to fruition.

Faulty information can hang you up, and chasing a false lead can waste even more precious time. Be suspicious of unasked-for criticism, as it may be offered just to slow you up. If you want something big, start out asking for something small and work your way up to it. It's easy to connect and swell your bounty if you do it incrementally, one step at a time.
